

IN THY PRESENCE

Thou wilt shew me the path of Life
In thy presece is fulness of Joy....

About the Editress:

My name is Rachel-Marie, and I am 26 years old. I am writing to you from my home in South Australia. I am the third of four children. Our family live on a 2 ½ acre property, on the edge of town, where we have quite a few animals- including our milking cow and goats. We also have lots of large gardens, flower and vegetables. We grow all we eat and love the simpler lifestyle, even though it is lots of work. I was saved when I was a child, and desire to grow each day in my walk with the Lord. It is my prayer that through this magazine you will be inspired to walk close to the Lord, and be encouraged to 'keep looking up' where there is fullness of Joy!

Some back issues are here for your reading/encouragement.

In Thy Presence seeks to encourage young women to follow in the ways of God, and to walk in His presence. The contents of this magazine reflect the desire to encourage, inspire and strengthen the hearts of the readers in their relationship with the Lord.

In Thy Presence welcomes contributions if you feel led to encourage others. (We ask to print these articles at our discretion). The thoughts expressed in this magazine are not necessarily those of my family. We do generally try to select articles in which, although maybe not agreeing with everything expressed. The underlying principle is in accordance with our beliefs.
