

Fabrics are coded for easy reference. The two letters describe the type of fabric, the 1st number describes the price code to correspond with clothing prices- 1star (/) is number 1, 2 star (//) is number 2 and 3 star (///) is number 3. The last 3 numbers are fabric numbers in the fabric type. Please ensure you copy codes accurately when ordering. We have aimed to get colours as accurate as possible but they may vary, please also be aware that fabric availability changes regularly.
